RE:

For Immediate Release

The Denver Post has announced that the election secretary of Colorado has returned my check and letter of intent because it was signed and notarized by my power of attorney, and they need it done by myself directly.

This is just another bump in the road, but a letter of intent has been signed by me and notarized by the prison staff and is being overnighted back to the election secretary of Colorado as soon as we receive the check back in the mail.

I can assure you I will be on the Colorado Ballot.

Thank you,
